04/27/01

(4) Form PTO-1449. It is requested that an initialled copy of the Form PTO-1449 be returned to indicate that the publications listed therein have been considered and made of record.

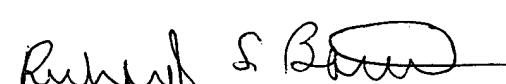

Each of the cited publications identified in the International Search Report is considered relevant or material to the patentability of the present invention in view of the citation thereof in said Search Report.

Said International Search Report is in English, thereby satisfying the requirements for a concise explanation of relevance of the publications cited therein.

It is respectfully requested that the attached publications be considered and made "of record."

Respectfully submitted,
